Infiltration Reduction Plans – Summary

Last Updated: October 2026

Iterative process to investigate, identify and address groundwater infiltration

Location	Latest Update	Investigation	Survey	Intervention	Stage
Barrow Nook	September 2026	Complete	First phase - complete Second phase - complete	First phase - complete Second phase - complete	Monitoring
Blennerhasset	September 2026	Complete	First phase - complete Second phase - in progress	First phase - complete	Survey
Blindcrake	September 2026	Complete	First phase - complete Second phase - complete	First phase - complete Second phase - complete	Monitoring
Bolton Low Houses	October 2026	Complete	Complete	Complete	Monitoring
Braithwaite	October 2026	Complete	First phase - complete Second phase - in progress	First phase - complete	Survey
Brough	October 2026	Complete	Complete	First phase - complete Second phase - in progress	Intervention
Caldbeck	October 2026	Complete	Complete	Complete	Monitoring
Cark	September 2026	Complete	First phase - complete Second phase - complete	First phase - complete Second phase – in progress	Intervention
Cartmel	October 2026	Complete	First phase - complete	First phase - in progress	Intervention

Cotehill	October 2026	Complete	Complete	Complete	Monitoring
Crosby Garrett	September 2026	Complete	First phase – complete Second phase - complete	First phase – complete	Survey
Eaglesfield	September 2026	Complete	First phase – complete Second phase - complete	First phase – complete Second phase - complete	Monitoring
Embleton	October 2026	Complete	First phase - complete Second phase - complete	First phase – complete Second phase - in progress	Intervention
Gilsland	October 2026	Complete	Complete	Complete	Monitoring
Glasson	October 2026	Complete	Complete	No intervention required	Monitoring
Gleaston / Little Urswick	August 2026	Complete	Complete	First phase - complete Second phase - complete	Monitoring
Grange	September 2026	Complete	Complete	Complete	Monitoring
Grasmere	October 2026	Complete	First phase – complete Second phase – in progress	First phase – complete Second phase - in progress	Survey / Intervention

Great Asby	September 2026	Complete	First phase – complete Second phase – in progress	First phase – in progress	Survey
Great Orton	October 2026	Complete	Complete	Complete	Monitoring
Greystoke	October 2026	Complete	Complete	Complete	Monitoring
Hayton	October 2026	Complete	Complete	Complete	Monitoring
Hellifield	October 2026	Complete	In progress		Survey
Hulton Lane Ends	October 2026	Complete	Complete	Complete	Monitoring
Ingleton	October 2026	Complete	First phase - complete Second phase - complete	First phase - no intervention required Second phase – in progress	Intervention
Ireby	October 2026	Complete	Complete	Complete	Monitoring
Kaber	October 2026	Complete	Complete	Complete	Monitoring

Kirkbampton	October 2026	Complete	First phase - complete Second phase - in progress	First phase - complete	Survey
Long Preston	October 2026	Complete	Complete	Complete	Monitoring
Low Hesket	October 2026	Complete	Complete	Complete	Monitoring
Newbiggin	October 2026	Complete	First phase - complete Second phase - complete Third phase – complete Fourth phase - in progress	First phase - no intervention required Second phase - no intervention required	Survey
Orton	September 2026	Complete	Complete	Complete	Monitoring
Plumbland	September 2026	Complete	First phase - complete Second phase - complete Third phase – in progress	First phase – complete Second phase – complete	Survey
Skelton	October 2026	Complete	Complete	Complete	Monitoring
Tebay	September 2026	Complete	First phase - complete Second phase - complete Third phase - in progress	First phase – complete Second phase – complete	Survey

Temple Sowerby	September 2026	Complete	In progress		Survey
Torpenhow	October 2026	Complete	Complete	Complete	Monitoring
Whitemore	October 2026	Complete	Complete	Complete	Monitoring
Withnell Fold	October 2026	Complete	Complete	Complete	Monitoring
