Dear [REDACTED],

EIR Reference: EIR/ID/538

Thank you for your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

Your request

We would be grateful if you would kindly provide us with copies of the monitoring data from the effluent samples taken at the site as sampled by United Utilities and/or as sampled by Gafoor and submitted to United Utilities in accordance with Gafoor's Discharge Consent. The claim period of the action which the claimants are pursuing is from June 2012 to present and ongoing. Therefore, we would be grateful if you could provide copies of any effluent sampling monitoring data from June 2012 to date. As you are aware, we can request copy documents in accordance with the Environment Information Regulations 2004.

Our response

We have been able to provide you with a spreadsheet which provides the monitoring data and effluent samples relating to the site at Gafoor Poultry Products Limited/ Gafoor Pure Halal Limited. The spreadsheet is filtered out into multiple tabs, showing all the separate chemical determinands for the site and is from 2012 until present date, as requested. Unfortunately, due to the file size of this spreadsheet, we are unable to attach the document to this email. We will however follow up with another response sending you the document via an alternate file transfer.

We hope that this response answers your request. However, if you're not satisfied with how we've handled it, you can request an internal review. To do this, please write to us at Environmental Information Office, Haweswater House, Lingley Mere, Warrington, WA5 3LP or email us at EIRRequests@uuplc.co.uk, addressing your request to [REDACTED], and explaining why you're unhappy with our response.
