Dear [REDACTED]

Thank you for your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

Your request:

For all fines that United Utilities has been required to pay following criminal convictions, please can you specify exactly who paid the fines? Were they paid by United Utilities shareholders or by bill payers?

Our response:

To confirm, none of the costs or fines attributable to an offence are borne by the customer. As per the Regulatory Accounting Guidelines (RAGs), fines and penalties fall within the 'disallowable cost' category. This means they are borne by the Company, i.e. shareholders and not customers.

Further information about disallowable costs can be found on Ofwat's website.

We hope that this response answers your request. However, if you're not satisfied with how we've handled it, you can request an internal review. To do this, please write to us at Environmental Information Office, Haweswater House, Lingley Mere, Warrington, WA5 3LP or email us at EIRRequests@uuplc.co.uk, addressing your request to [REDACTED], and explaining why you're unhappy with our response. We'll be very happy to review your request and ensure we've done everything we can to assist you.

Any request for an internal review should be made within 40 working days of receipt of this response, and we will reply within 40 working days from receipt of the request for internal review.

Many thanks
