Dear [REDACTED]

Thank you for your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

As your request contained a number of specific questions, this response restates each part of the request (in bold) and then follows with our response.

Please confirm by year whether trail hunt licences were granted to the Colne Valley &/or Holme Valley Beagles in the time period above on your land holdings.

As you have not specified the timeframe you're interested in, we have used the same timeframe as EIR-688 and EIR-690 (1/1/2010 to 31/12/2020). Annual trail hunting licenses were issued to Colne Valley Beagles and the Colne & Holme Valley Beagles between 2011 to 2019.

Please provide appropriate map showing which block these were granted for any time period. I am already aware of the sequence of licences for Whittle Hill and Cheeseden Pasture and have the map.

Please see attached a copy of the map which covers the Castleshaw and New Years Bridge estate, which is all United Utilities land.

We hope that this response answers your request. However, if you're not satisfied with how we've handled it, you can request an internal review. To do this, please write to us at Environmental Information Office, Haweswater House, Lingley Mere, Warrington, WA5 3LP or email us at EIRRequests@uuplc.co.uk, addressing your request to [REDACTED], and explaining why you're unhappy with our response. We'll be very happy to review your request and ensure we've done everything we can to assist you.

Any request for an internal review should be made within 40 working days of receipt of this response, and we will reply within 40 working days from receipt of the request for internal review.

Many thanks
