Dear [REDACTED],

Thank you for your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

Your request:

1. How many trade effluent consents are in force as of 2nd June 2026?
2. For the 2025/6 reporting year, what was the total income received from trade effluent consents?

Our response:

We have answered each of your questions in turn below.

We can confirm that on 2 June 2026 we currently have 2,545 active consent to discharge consents on our public register.

The total recovery costs for collecting, transporting, and treating the trade effluent discharged by all active consent holders in 2025/26 was £59,008,348.95.
