

Dear [REDACTED]

Thank you for your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

Your request

Request for information, regarding [REDACTED] relating to any historical or potential flooding issues?

Our response

I can confirm that we have no record of any flooding at [REDACTED] and as such, Regulation 12(4)(a) of the EIR is applicable. As suggested by the Environment Agency, if you have not already done, I would recommend contacting the Lead Local Flood Authority Rochdale Council via council@rochdale.gov.uk who may hold additional information.

We hope that this response answers your request. However, if you're not satisfied with how we've handled it, you can request an internal review. To do this, please write to us at Environmental Information Office, Haweswater House, Lingley Mere, Warrington, WA5 3LP or email us at EIRRequests@uuplc.co.uk, addressing your request to [REDACTED], and explaining why you're unhappy with our response. We'll be very happy to review your request and ensure we've done everything we can to assist you.

Any request for an internal review should be made within 40 working days of receipt of this response, and we will reply within 40 working days from receipt of the request for internal review.

Many thanks
